PLASTICS

Evergreen – the whole world of plastics!

Evergreen Scale Models is one of the world's largest manufacturers of polystyrene plastic products.

With Evergreen profiles, strips, tubes and sheets in metric and inch sizes, clean and accurate models can be perfectly produced.

Evergreen products are commonly used by plastic model builders, architects and artists.

Self-serve Display Systems

offers the greatest overall visibility of the world's number one polystyrene products.

- **Easy to Sell** because of the organized display system
- **Easy to Restock** with the UPC-A bar Code on all products and simple pricing system
- **The Restock** is very simple, each size has its own place in the display
- **Customer Friendly** because of detailed product descriptions and clear informative graphics

- Redesigned Display
- Larger Assortment
- New Products

Display # 53

#53 Floor Display & Assortment

Assortment includes 100 packages scribed sheets, 74 packages plain and clear sheets, 165 packages strips, 46 packages rod and tube, and 130 packages of structural shapes, as well as the display rack.

Size: 57 x 50 x 188 cm , 22.5 x 19.69 x 74.02 in.

Order No. 53

#53A Rack Upgrade

Allows upgrade of older #53 racks to new larger rack and additional merchandise

Order No. 53A

#53C Transparent Color Sheet Upgrade

Includes a double pocket to fit the #53 Floor Rack and two packages of 9901, 9902, 9903, 9904 & 9905.

Order No. 53C

#80 Dealer Display

The new wood glue is offered in both white, which dries clear, for hardwood applications and yellow for a deep penetrating sandable bond, when using softer woods. Both the White and the Yellow glues are available in convenient

4 oz / .118L and 2 oz / .059L plastic squeeze bottles with resealable tips.

The canopy glue which is provided in a 2 oz / .059L plastic resealable squeeze bottle, dries clear and provides excellent adhesion especially when using clear plastics.

The Wood Glue Dealer Starter Pack also includes a counter top display (pictured) at no extra charge.

Refill packs are available for each of the products.

The # 80 Display Pack contains 21 bottles:

- 4 bottles each of Premium White Wood Glue and Premium Select Yellow Wood Glue in 2 oz / .059L size
- 4 bottles each of Premium White Wood Glue and Premium Select Yellow Wood Glue in 4 oz / .118L size
- 5 bottles of 2 oz / .059L Canopy Glue

.010	0,25	9903 / 2	Green
.010	0,25	9904 / 2	Yellow
.010	0,25	9905 / 5	Assorted plus Black

Odds & Ends

Evergreen Scale Models product 9002 is 8 Ounces / 226.8 Grams of miscellaneous sheet, tube and shape cutoffs. Each bag contains a random selection of items from our catalog. The contents of the bags are great for kit bashing, fill-in pieces or small projects.

Bags can be ordered individually, with no minimum required.

The assortment is bagged in the familiar "Evergreen Scale Model" packaging complete with barcode, and can be hung from its hangar hole or placed on a store shelf.

Evergreen Scale Models offers custom cutting and sizes of Polystyrene.

For more information contact your local hobby shop, distributor or Evergreen Scale Models.

STYRENE MODELING

A comprehensive and full pictured manual about building and handling styrene in the world of plastic modeling.

This 88 page book is the first complete and informative work about assembly and improvement of plastic kits. Some of the hobby's high end modelers are featured in "case studies". Their tips and techniques used to build and assemble models are explained.

Beside the easy to follow text you will find in this book 174 color and 106 B/W photos to describe advanced modeling techniques using styrene. Printed in English.

- Scratch building
- Decals
- Conversions
- Weathering
- Airbrush
- Glue techniques
- Detailing
